

Global Studies Introduction Questions

1. How might things happening in other parts of the World affect you?

(Think about violence, famine, drought, disease, poverty, energy use, strong economies, pollution, etc.)

2. How might things that *YOU* do affect other parts of the World?

Directions:

- *Write in complete sentences.*
- *Do not simply list ideas. Explain their affects too.*
For example, "I drink Dutch Bros. coffee." This is a good example, but tell me why drinking Dutch Bros. coffee affects other parts of the World.
