Reminder: Concerts are considered group-exams. Attendance is required, so please communicate scheduling conflicts prior to the event and illness/emergency/etc. in a timely manner so band grade is not affected.

Field Trips: Ogden's field trip policy states that a student must be passing all classes (no F's) to participate in field trips that take place during the school day. Field trips and events outside of the school day are not affected by this policy, and band students can participate in these events. Pops Concert takes place in the evening, so all band students can participate.
