

The Insider

Tell us something about you!

How have you changed over this school year?

How do you feel about your grades this year?

If you could only change one thing, what is that one thing you would do differently or change about your fifth grade year?

What do you think makes a good student?

What is one word or sentence of advice you would give to an incoming fifth grader?

What do you like best about being a 5th grader?

What do you think you will like best as a 6th grader?
