- 8:15-8:30            Introduction to the Conference  
                          Committee and Conference Rules  
                          Order of the Conference

**Agenda Issue Groups ~ Committees**

A. Opening Speeches

During each committee meeting, one student representing each country will present a speech clarifying the country's position and/or needs related to the overall topic of discussion.

B. Discussion

Follow Rules of Debate

Goals: 1. Establish political positions and clarification of each agenda issue for your country (and region).

2. How will you (your country) stand on each issue and why? Be prepared with supporting evidence from your research.

3. Predict how other countries will react to the stances you define. Which ones will be more willing to support your decisions? Why? What is needed to gain their support?

C. Propose Amendments - Delegates can submit Amendments to the Chairs for consideration; Chairs can accept as “friendly” or open the floor for debate.
