Notebook Check Rubric

Notebooks are due on the day of the unit test unless otherwise specified.

10	**Totally Awesome (Almost Gross)** ✓ Notebook contents are complete. Pages have titles and numbers. ✓ Information on the right-side and left-side topics is correct. ✓ Notes include all of the necessary information and personalized reminders about the content. ✓ Well-developed processing assignments with color and effective diagrams. ✓ Displays excellent understanding of the content material. ✓ In-depth reflection about the work done.
9	**Awesome** ✓ Notebook contents are complete. Pages have titles and numbers. ✓ Information on the right-side and left-side topics is correct. ✓ Notes include all of the necessary information. ✓ Complete processing assignments with color and effective diagrams. ✓ Displays good understanding of the content material. ✓ Thorough reflection about the work done.
8	**Pretty Darn Good** ✓ Your notebook has about 90% of the components expected, including page numbers and titles. ✓ Information on the right-side and left-side topics is mostly correct. ✓ Notes include the majority of the information but may be incomplete in some areas. ✓ Processing assignments are incomplete or lack either color or effective diagrams. ✓ Displays general understanding of the content material. ✓ Shows reflection on the work done.
7	**Kick it up a Notch** ✓ Your notebook has about 80% of the components, including page numbers and titles. ✓ Notes do not include all of the necessary information. ✓ Information on the right-side and left-side topics is partially correct. ✓ Processing assignments show minimal processing of information. ✓ Displays limited understanding of the content materials. ✓ Shows little reflection about the work done
6	**Better Get Moving!** ✓ Your notebook has less than 70% of the components expected, including page numbers and titles. ✓ Notes are incomplete or incorrect. ✓ Information on the right-side and left-side topics is incomplete. ✓ Processing assignments are incomplete or missing.
5	**What Happened?** You turned in a notebook, but many of the pages are blank or only include the class template.

Left Side (Processing/Output) **Even # pages**	**RIght Side (Information/Input)** **Odd # pages**
This is where you'll apply information from the right. Examples: Brainstorming, concept maps, Venn Diagrams, data and graphs you generate, quick writes, reflections	This is mostly stuff we'll do as a class or from a reading or outside reference. Examples: lecture notes, readings, text, vocabulary, questions & answers, sample problems, video/film notes, procedures.
